Giuseppe Tomasi di Lampedusa attended the University of Palermo, where he studied law, following the family's expectations of a traditional noble education. However, his true passion lay beyond the legal realm—he was an avid reader and a dedicated student of history, literature, and philosophy.

His time at university was marked by exposure to European intellectual currents, which broadened his horizons and deepened his understanding of societal transformations. It was during this period that he began to develop a critical perspective on the decline of aristocratic power and the rise of new social classes.

Military Service and Personal Challenges

During World War I, Lampedusa served in the Italian Army, an experience that exposed him to the realities of conflict and further shaped his worldview. After the war, he faced personal health challenges, including a serious illness that kept him confined for extended periods. These periods of reflection and solitude proved formative, nurturing his literary sensibilities and deepening his appreciation for Sicily's history and culture.
